Thank you for your interest in applying to a Pediatric Anesthesiology Fellowship.

Pediatric Anesthesiology Program Directors request that applicants:

- Email (1) their anesthesiology basic exam report and (2) CA-1 in-training exam/ITE score and percentile report to each program that have applied to. Once the CA-2 ITE report is available in the spring, please email that to programs as well.
- In place of a personal statement on the ERAS application, applicants answer question #1 (below) as well as any two (2) of the questions #2a-2d. Please identify the question you intend to answer at the top of each answer.

Question 1:

What particular personal qualifications and characteristics will allow you to become an effective consultant in pediatric anesthesiology, and why is it important to you to become a pediatric anesthesiologist?

Question 2:

Please choose **two** of the following questions and answer each one. Please be sure to copy and paste the question you have chosen to answer just above each response.

- 2a. How will completion of a pediatric anesthesiology fellowship allow you to further your goals?
- 2b. Describe what you consider to be your most significant contribution or achievement, including the impact you made.
- 2c. Being a part of hospital leadership should be important to anesthesiologists. What role do you think you might take within the leadership structure of your future hospital?
- 2d. Describe a challenging situation in your life or career and what you learned from it.
