Notes:

- The column labeled “Percentile Rank” provides the percentage of total scores equal to or less than each score point. These percentile ranks are based on all AAMC Situational Judgment Test results from the June 2021 test administrations. For example, 76% of total scores were equal to or less than 6 across all AAMC Situational Judgment Tests administered in June 2021.
- Last updated on 7/16/2021. Final percentile ranks will be updated at the end of SJT scoring season in October.
