

# Face masks are required to enter this test center.

**As a federal contractor, Pearson VUE must comply with the face mask requirement set forth in Executive Order 14042.**

You **MUST** wear a mask at all times. A surgical or cloth face mask, including a homemade face mask, is acceptable as long as your nose and mouth are fully covered. The mask will be inspected prior to entering the test room.

If you are not fully vaccinated, you must maintain 6 feet of physical distance from all individuals unless you are at your assigned workstation

## **Do not enter the test center if you have:**

- Tested positive for COVID-19 in the last 14 days.
- Experienced any COVID-19 symptom in the last 14 days.
- Had close contact with someone with confirmed or suspected COVID-19 in the last 14 days.
- Been under a government or health authority quarantine or observation related to COVID-19 in the last 14 days.
- Traveled to or from a location with travel restrictions based on your current location within the last 14 days.

**Please wash your hands upon arrival at the test center and continue to use hand sanitizer.**

Our test center staff is following strict cleaning regimens after each admission session and exam session, including disinfecting all items that candidates use.

We hope that, with the above measures, we can ensure a clean and hygienic testing environment.

**Thank you in advance for your cooperation.**
