

# Resources From the Preparing for the MCAT® Exam Presentation

Thank you for joining the AAMC presentation, Preparing for the MCAT Exam. Below is the list of resources covered in the presentation and other premed resources.

## Medical College Admission Test (MCAT)

[aamc.org/mcat](https://aamc.org/mcat)

- Sign in to the [MCAT Official Prep Hub](#) to access your MCAT practice products and free resources.
- [What's on the MCAT Exam? Content Outline](#): see the complete list of concepts you will need for test day. Find Khan Academy lessons and other open access free resources covering the same content.
- [MCAT Official Prep Free Study and Planning Resources](#): Learn about the free MCAT Official Prep resources that the AAMC offers to help you study.
- [Get pricing information and key features](#) of all MCAT Official Prep products.
- [Start Creating Your MCAT Study Plan](#): Learn the content and skills you're responsible for knowing on test day and get started on a path to success.
- [Start your MCAT Prep Right with Proven Learning Strategies](#): Learn how to incorporate the MCAT Content Outline course into your study plan.

## AAMC Information and Resources

- [Fee Assistance Program](#): The AAMC Fee Assistance Program assists those who, without financial assistance, would be unable to take the MCAT exam or apply to medical schools that use AMCAS. The benefits include discounted fees, free MCAT Official Prep products, and more.
- [Premed Resources](#): Premed webinars, information about financial aid resources and information about choosing a medical career.
- [Financial Information, Resources, Services, and Tools \(FIRST\)](#): FIRST provides you with unbiased and reliable guidance about paying for medical school, managing money, and successfully repaying your student loans.
- [Premed Navigator](#): This monthly newsletter features important topics, tips, and key dates for aspiring physicians.

## Medical School Admission Requirements™ (MSAR®)

[aamc.org/msar](https://aamc.org/msar)

The Medical School Admission Requirements (MSAR) is an online database that enables you to browse, search, sort, and compare information about U.S. and Canadian medical schools and BS/MD programs, and more.

[aamc.org/msarreports](https://aamc.org/msarreports)

Here you'll find premed worksheets, information about acceptable MCAT test administration dates, the free 2023 Official Guide to Medical School Admissions: How to Prepare for and Apply to Medical School, and other MSAR reports.

## American Medical College Application Service® (AMCAS®)

[aamc.org/amcas](https://aamc.org/amcas)

The American Medical College Application Service® (AMCAS) is the AAMC's centralized medical school application processing service. Most U.S. medical schools use AMCAS as the primary application method for their first-year entering classes.

## OTHER INFORMATION AND RESOURCES

### NAAHP Find an Advisor

[naahp.org/public-resources/student-resources/find-an-advisor](https://naahp.org/public-resources/student-resources/find-an-advisor)

If you do not have access to a premedical or prehealth professions advisor, submit a request to be connected with a volunteer advisor.
