

Customize your booth with your own content, images, links and resources:

The screenshot displays a virtual event booth for CareerEco. On the left, there is a sidebar with sections for 'Online Hours' (listing various test rooms and their schedules), 'Contact Us' (providing address and phone number), and 'Industry' (listing 'Legal'). The main content area features a video player with the text 'We care for our customers' overlaid on a man in a suit looking at his phone. Below the video, there is a 'Watch on YouTube' button and a paragraph of text: 'Welcome to the new career ecosystem! CareerEco is a virtual recruiting platform for jobseekers, prospective graduate students, academic institutions, and employers. Virtual fairs and online recruiting events are provided through the partnerships CareerEco has with hundreds of organizations such as employers, grad schools, and other professional organizations. With the use of cloud recruiting events, CareerEco offers a unique method of virtual connection. This not only saves time but also eliminates the many burdens and costs associated with travel. Not only will our virtual events save you and your constituencies immense time at a fraction of the cost of traditional events, it is a highly sustainable idea for the environment.'

Connect with attendees via your institution's booth chat:
