(212) 263-3804

**Name of school/program that offers the MPH curriculum:**

NYU Master of Public Health

**Length of program:**

The NYU School of Medicine is one of the few medical schools in the country to offer both an accelerated four-year, as well as a standard five-year option to complete both degrees.

**Available Concentrations:**

Global Health Leadership

**You may apply:**

- While applying to medical school (either four or five-year options)
- During 2<sup>nd</sup> year of medical school (four-year option only)
- During 3<sup>rd</sup> year of medical school (five-year option only)

**MPH Tuition Policy:**

- Students pay tuition to the School of Medicine during the years in which they are primarily engaged in medical school work.
- During the dedicated year of MPH coursework, students will pay the equivalent of one year of MPH tuition to the program at a discounted rate of 50% of full tuition.
