

# Medical School Admission Requirements (MSAR) Online - Database

The Official Guide to Medical School Admissions (print and e-book)

Medical School Admission Requirements™ (MSAR®)

## Sample Features:

<i>The Official Guide to Medical School Admissions</i>	<i>Medical School Admission Requirements™ (MSAR®)</i>
Three years of data to see trends over time	Profiles for each MD-granting school
Detailed information on applying and application evaluation	School specific financial aid information and data
AMCAS® application and MCAT® exam tips	Data on accepted applicants and matriculants
Guidance for gap-year students	Graduates' specialty-choice data
Information about diversity in medical schools	Find admission timelines, policies, and requirements for each medical school
Information about paying for medical school	Review acceptance policies for out-of-state, international, and DACA applicants

AAMC products include data and insights directly from the MCAT® exam and AMCAS® application, as well as updated school-specific information provided directly by medical schools. Products do not include information on DO-granting schools and DO programs. Visit [aamc.org/msar](http://aamc.org/msar).

### ***With the updates, users can:***

- ✓ **Find** admission timelines, policies, and requirements for each medical school.
- ✓ **Filter** schools by GPA and MCAT ranges.
- ✓ **Access** dynamic GPA and MCAT charts—break out data for in-state and out-of-state applicants.
- ✓ **See** your MCAT score and GPA on schools' charts.
- ✓ **Rank** favorites as “considering” or “applying,” add comments, and email the list.
- ✓ **Compare** up to 10 schools side-by-side.
