NJ	Cooper Medical School of Rowan University	Held on Fridays. One Interview with two interviewers: one who is on the Admissions Committee and one who is blinded to application materials, in addition to casual encounters with CMSRU students.	July 2021	Our interview day has been designed to provide each candidate the opportunity to engage with CMSRU faculty and students. After a welcome breakfast and information session, candidates will learn about our student support structures from Student Affairs and Financial Aid, participate in an in-depth discussion of the CMSRU curriculum, and tour the campus. Interview day also includes a discussion session for our Simulation Laboratory and our 3-year primary care track. Applicants will each participate in a traditional interview session with two CMSRU representatives (one Admissions committee member and one "blinded" faculty member), during which they are encouraged to showcase their accomplishments and their fit with CMSRU. Throughout the day applicants interact with current students, and the finale provides a comfortable, casual meet-and-greet so that candidates can ask questions in a low-pressure and open atmosphere. Subject to change based on COVID-19 pandemic status.	Not available	As needed based on COVID-19 pandemic status.

State	Medical School	Interview Format	Interview Invitations Sent	Typical Interview Day	Regional Interviews Available?	Video Interview?
TN	Vanderbilt University School of Medicine	Two interviews are held. One interview is an open file (AMCAS and secondary) interview that lasts roughly 45 minutes. The other is a short, closed file interview that lasts roughly 20 minutes. Candidates spend the rest of the day learning more about us.	August	For the 2021 cycle, Vanderbilt moved to virtual interviews. The night before the interview day, candidates are invited to an informal gathering with current students. For the virtual interview day, VUSM utilizes a Zoom platform. The hour before the interview is spent in an informal welcome session. After the candidates interview, a session on the curriculum is held. While interviewees are eating lunch, there is a student experience panel (no faculty or staff allowed). After that session is over, candidates attend a session on key highlights of VUSM/ Nashville. During that time, VUSM explains the admissions and financial aid process. There are also sessions throughout the cycle for interviewees to learn more about research and our commitment to diversity and community health. Please feel comfortable reaching out to us, with any questions you might have.	Regional interviews are not available.	As of the publication date, VUSM has yet to make a final decision regarding video interviews. VUSM will update our website with more information as decisions are made. Thank you for understanding.
